

I hate nothing.
 I hate those who look like me,
 due to our shared personal resemblance.
 Co-star, no-star.
 I wished for being a hedonistic scumbag - so,
 I became a hedonistic scumbag.
 Melt away from shape. Teach me.

Melted down and misunderstood.
 What do you adorn - past aesthetic?
 Are you here to poison me?
 Are you here to awaken me?
 You're just a bleeding eel.
 A poor open door with no nails and heart.
 The people give to you because you make them feel a
 leaf of pity.

My facial aesthetic isn't far but I'm big star.
 overdose on fir trees.
 Wearing all of your ideas on your face.
 My original design makes you feel bad.
 Cultural commentary owned brain is a spring painting.

Designed by © Shinzi Katoh

It's under my finger nails
 fills my stomach
 fermented and internally grating the middle man.
 for contemporary nothing.
 Do you think more than false lashes and apple pie?
 as I stand ephemeral
 transient specimen at grateful biology.
 Careless
 Assertive

Designed by © Shinzi Katoh

Picking the skin off until it peels
 Healthy and perfect yet speckled and red
 guilty of financial sin
 How can you tell me I'm wrong?
 My spots and cuts
 My staring at walls
 spit and clench until I die
 of Wartless fingers to make use of every day
